### How to Report Kansas Senior Plan N Claims

You should carry Your Identification Card with You at all times. When You receive a service, show Your Identification Card.

Your Medicare coverage always pays **first**. To collect Your Medicare benefits, follow the instructions in Your "Medicare and You" handbook.

The Kansas Senior Plan N Certificate pays **second**. In conjunction with the filing of proof of loss as required in the General section of this Certificate, You should send in the "Explanation of Medicare Benefits" form Medicare sent You for the service You received. Be sure to show Your Kansas Senior Plan N identification number on it.

The benefits of this Certificate assume that all Kansas Senior Plan N Insureds are eligible for and enrolled in both Medicare Part A and Medicare Part B. Regardless of whether You have Medicare coverage, Your benefits will still be determined on that basis. All coverage under this Certificate is subject to the conditions described in this Certificate, including exclusions.
