YOUR HEALTH REIMBURSEMENT ACCOUNT (HRA)

What is an HRA?

A Health Reimbursement Account (HRA) is a tax-advantaged savings account available to you if you enroll in Plans C, J, or N. The State contributes to the HRA account on your behalf. You may use the money in your HRA to pay for eligible health expenses. When you earn HealthQuest rewards, you are eligible to receive additional contributions into your HRA. The HRA will end if you terminate employment and does not have a rollover provision.

Employees who are not eligible to contribute to a Health Savings Account (HSA) because of one of the following reasons will be able to elect the HRA option:

- Enrolled in Medicare A or B.
- Enrolled in TRICARE.
- Being claimed as a dependent on someone else's tax return.
- Concurrent enrollment in another health plan not considered a Qualified High Deductible Health Plan.

State Employees – If you are enrolled in Plan C or N, employer contributions are made to your account quarterly. HealthQuest Rewards for Plans C, J, or N will be made throughout the year. If you have remaining HRA funds at the end of the plan year (December 31), the funds do not roll to the next year. Participants will have 60 days from December 31 to file manual claims for expenses incurred in the plan year. If you should terminate employment, you will have 60 days to file manual claims for any expenses incurred while employed for the plan year.

Non State Employees – If you are enrolled in Plan C or N, employer contributions are made to your account monthly. HealthQuest Rewards for Plans C, J, or N will be made throughout the year. If you have remaining HRA funds at the end of the plan year (December 31), the funds do not roll to the next year. Participants will have 60 days from December 31 to file manual claims for expenses incurred in the plan year. If you should terminate employment, you will have 60 days to file manual claims for any expenses incurred while employed for the plan year.

Note: New State and Non State employees, the Employer Contributions will begin the quarter following the benefit effective date. For additional information visit [Health Reimbursement Account Website](#). The employer contribution amounts are outlined on the following page.

IMPORTANT: Should you terminate coverage with the State Employees Health Plan (SEHP) prior to the end of the plan year, you will have sixty (60) days from your last date on SEHP coverage to file any claims incurred while you were covered that plan year. Participants will have sixty (60) days from the end of a plan year (December 31st) to file any claims incurred during that plan year.

However, you may still submit along with a corresponding claim notification from your message center for re-evaluation.

METLIFE DEBIT CARD

Your MetLife debit card provides you access to your HRA funds. Use it to pay for qualified expenses when you visit your doctor or dentist's office or to pay for prescriptions. Please visit the Education and Resources page under the Tools & Support tab on the participant portal for a list of qualified expenses.

Advantages of the debit card:

- Pay directly from your account(s) at the point-of-sale for qualified expenses.
- Charges are paid directly to the provider/retailer.
- No waiting for reimbursement.

Qualified expenses:

The IRS determines what expenses you can pay for. For more information, see IRS Publication 502 at [irs.gov/pub/irs-pdf/p502.pdf](https://www.irs.gov/pub/irs-pdf/p502.pdf). In addition, there may be legislation or additional publications that may modify or expand available qualified expenses. Please refer to your employer's plan document for the latest list of qualified expenses under your plan.

Using the card:

To activate your debit card, call the activation line at: 1-866-898-9795. If you have issues activating your card, please contact MetLife Customer Service at 1-877-759-3399, we're available Monday through Friday, 7:00 a.m. to 7:00 p.m. Central time.

Some accounts may not require you to submit documentation for purchases made at retailers that use an Inventory Information Approval System (IIAS). These merchants will approve eligible expenses at the point of purchase. Any Participants enrolled in an HRA should save their receipts. For a complete list of IIAS merchants, visit sig-is.org.

You'll be able to create a PIN when you activate your debit card. Some merchants may require you to select a PIN at time of purchase. If offered a choice, you can use the card for signature-based transactions - select the credit option to sign your receipt instead of being required to provide a PIN.

When using your card at these merchants, you'll swipe your card for the entire purchase amount. Eligible expenses will be charged to your debit card. You'll need to use another form of payment for any ineligible items. Documentation may be required if eligible items are not verified at the point of sale. You will receive an email or mailed notification if documentation is required.

The daily transaction limit on your MetLife Debit Card for all transactions is \$5,000.

You can add your MetLife Benefits Card to your digital wallet through Google Pay or Apple Pay.

Note: Debit card usage for HRA accounts without a run out period will only be for the current calendar year. Claims that need to be filed outside of the current calendar year will need to be done manually.

Ordering Additional Card(s):

Two debit cards are issued to you. To order additional debit cards at no cost, go to **Banking/Cards** and, click **Order Replacement Card**. Click **Submit**.
